

Thank an educator on October 24, 2024

Child Care Worker and Early
Childhood Educator Appreciation Day
is on **October 24, 2024**.

Families and children are encouraged
to show appreciation for the early
learning professionals in their lives in a
meaningful way.

There are a hundred ways to say thank
you: drawings, sculpting, dramatic play,
writing, painting, singing... the list goes
on! Create opportunities for your child
to take the lead.
